

EXECUTIVE ORDER

DISTRICT OF COLUMBIA

Subject:	Administrative Warrants in NCIC
Number	EO-17-010
Effective Date	March 24, 2017
Related To:	GO-PER-201.26 (Duties, Responsibilities and Conduct of Members of the Department) GO-PCA-702.01 (Arrest and Bench Warrants)

I. PURPOSE

The purpose of this executive order is to remind members of our policy on immigration enforcement and the enforcement of immigration warrants contained in the National Crime Information Center (NCIC).

The Metropolitan Police Department (MPD) relies on the cooperation of all the residents of and visitors to the District of Columbia to support our community policing efforts. MPD cannot develop effective partnerships with our community members if a portion of that community fears that we will enforce civil immigration laws. To support the continued development of strong partnerships with all members of our many diverse communities, it has been the longstanding policy of MPD that our members do not make inquiries into the residency status of the people we serve, and we do not enforce civil immigration laws.

Section B, Paragraph 5 of Mayor's Order 2011-174, Disclosure of Status of Individuals: Policies and Procedures of District of Columbia Agencies, reads as follows:

*Law enforcement officers shall not make arrests **solely** based on administrative warrants for arrest of removal entered by the U.S Immigration and Customs Enforcement (ICE) into the NCIC database of the Federal Bureau of Investigation (FBI), including administrative immigration warrants for persons with outstanding removal, deportation, or exclusion orders.*

Consistent with both MPD policy and the above order, members shall not arrest individuals **solely** based on administrative (civil) warrants of removal or arrest entered by ICE into NCIC. Additionally, members shall not assist ICE agents in the arrest or transport of individuals solely based on administrative warrants. Members can identify these administrative warrants based on the language of the "hit" or response resulting from a Washington Area Law Enforcement System (WALES)/NCIC inquiry.

II. IDENTIFYING ICE ADMINISTRATIVE WARRANTS

The member and dispatcher shall review the introductory message at the beginning of the “hit” from NCIC. If it is administrative in nature, it will contain the language:

- SUBJECT HAS AN OUTSTANDING **ADMINISTRATIVE** WARRANT OF REMOVAL

or

- SUBJECT HAS AN OUTSTANDING **ADMINISTRATIVE** WARRANT OF ARREST FOR IMMIGRATION VIOLATIONS

If members encounter either of these types of ICE administrative warrants, **and** the individual does not have a criminal warrant or has not committed any other offense for which he or she would be subject to arrest, **then** the member shall not take action on the administrative warrant.

Members shall continue to act upon **criminal** warrants entered by ICE into NCIC pursuant to relevant directives [e.g., GO-SPT-302.06 (The Washington Area Law Enforcement System (WALES))].

Sergeants shall ensure compliance with this executive order when reviewing and signing arrest paperwork.

Examples of the two types of ICE administrative warrants in NCIC are attached. One example of a criminal warrant is also attached in order to provide context.
